Kirkcudbright Academy

Senior School Option Sheet S5/6 - 2023/24

All Parents and Students should read the advice on subject choice and the course outlines within the **Senior Options Booklet, College Academy Booklet and YASS information**, available on our **School Website** (www.kirkcudbrightacademy.website) before making their final choices.

Students should choose **1 subject from each of the columns 1 to 5** in the table shown, S6 may leave 1 column blank. **(circle the subject chosen)**.

Ensure the subject has been selected at the appropriate level e.g. National 5, Higher or Advanced Higher.

Students progressing from S4 into S5 should NOT select a Crash Higher course, see advice in the Senior Options Booklet, available on the school website.

Where students are interested in one of the **'Wider Provision' Options**, they must also select a subject from the main column options.

Contact Mr Henry for information regarding Foundation Apprenticeships, College Academy and YASS courses.

All students will be allocated core subjects of P.E., RME and PSHE in column 6. **Two additional 'Short Courses' should be selected**, one of which will be allocated depending on numbers and which courses run.

All students should endeavour to achieve **at least National 5 in both English (Literacy) and Maths (Numeracy)** before dropping these subjects from their selection.

Students should discuss their proposed choices with their subject teachers to gauge their suitability for the course selected.

Signature of parent/carer: _____ Date _____

Signature of pupil: _____ Date _____

Subjects will only run where numbers and staffing allow. If a subject does not run, pupils will be asked to choose again. Late forms may be placed on a waiting list.

Kirkcudbright Academy

Senior School Option Sheet S5/6 - 2023/24

Pupils must discuss their intentions with the subject teacher of each course selected, asking the teacher to complete the table below:

Subject	Teacher	Suggested Level of Study	Comment	Teachers Signature

Kirkcudbright Academy

Senior School Option Sheet S5/6 - 2023/24
